MIDDLE DISTRICT ALA.

Civil Action No. 3:06-CV-0091-MEF

Lead Case

Jury Trial Demand

RESPONSE TO DEFENDANT REPLY RE: RESPA

Magistrate Judge Capel, upon review of case particulars, extended defendant time¹ to respond to the order of Judges McPherson and Fuller. The orders of all three judge's demanded a response to allegations of RESPA violations. On February 16, 2007, defendant lodged a response although that response never once mentioned RESPA charges excepting a one sentence denial. Defendant then launched into a series of duplicative defenses of their act of foreclosure². Plaintiff suggests to this court that said defendant is in such a state of denial relative to their illegal acts that they cannot even follow a judges instructions. As further evidence, plaintiff points out that as of this writing, defendant has never once requested to review³ the considerably large body of evidence and exhibits in possession of plaintiff McCarley, thus providing ultimate evidence of defendant holistic failure to either state or construct a plausible defense throughout this series of legal actions. Plaintiff alleges failure to request a review of evidence suggests further FRCP Rule 55 Bad Faith actions.
